

**Girl Scouts of North-Central Alabama  
2009 Older Girls Fall Program Activity  
Letter to Parents**

Dear Parent or Guardian,

The Holiday Nut and Candy Set Sale is underway. This program provides troops with the opportunity to learn to work together, set goals, handle money responsibly, and follow through on commitments. It builds personal self esteem as well as the troop treasury for troop activities.

In addition to the great program value, your daughter's troop will earn \$5.00 per set sold. You, as a parent or guardian, are a vital part of this Girl Scout program. Your support makes it a success for your daughter, her troop, and the Council. Your encouragement and enthusiasm are greatly appreciated. The girls are "on their honor" to abide by the June 1, 2009 starting date. (No training necessary.)

My daughter, \_\_\_\_\_, a member of Troop # \_\_\_\_\_ has my permission to participate in the Girl Scout Holiday Nut and Candy Set Sale June 1-October 17, 2009.

I understand that my order is NOT RETURNABLE. I agree to accept the responsibility for all products and money my daughter receives and will see that she has adult guidance while selling.

I understand the deadline for money to be turned into the Troop Fall Program Manager is no later than \_\_\_\_\_. I will meet this deadline.

I also understand that, when necessary, the Girl Scouts of North-Central Alabama reserves the right to take appropriate action to secure payment for product received by me and my daughter. If collection procedures are implemented, I will also be responsible for an additional 10% service charge of the balance due and any other additional charges.
