

Altogether Awesome!

Welcome to the 2017 Girl Scout Cookie Program!

The Girl Scout Cookie sale is the number one financial literacy program for girls helping them with Goal Setting, Decision Making, Money Management, People Skills and Business Ethics. The funds from the sale provide councils with the opportunity to provide financial assistance so all girls have access to the opportunities that Girl Scouting offers

You can help make this year’s Girl Scout Cookie Program a success! Support your Girl Scout by:

- ∞ Complete and returning this permission form. All girls must be registered Girl Scouts.
- ∞ Making sure you meet all deadlines given to you by the troop cookie manager.
- ∞ Making sure you and your child attend training and understand what her troop is planning to do with the proceeds they earn.
- ∞ Remembering that the income from the Girl Scout Cookie Program does not become the property of individual girl members. Girls, however, may be eligible for rewards or credit that they put toward Girl Scout activities.
- ∞ Helping your Girl Scout network with family and friends, but let her do the “as” so she can learn important business skills.
- ∞ Helping your child learn everything she needs to know about the cookies she is selling. Review important details found on her order card.
- ∞ Emphasizing safety at all times.

Thank you for your support and participation. Don’t hesitate to call your troop cookie manager or troop leader if you have any questions.

Sincerely,
Product Sales Team
