SWAP: Let's Make Juliette Low's Hat

GIRL SCOUTS FUN FACTS

Did you know that Girl Scouts have been helping others since the organization began in 1912? During the Great Depression, they collected clothing and food for those in need. World War II led girls to operate bicycle courier services, run Farm Aide Projects, collect fat and scrap metal, and more! “Kits for Korea” were created during the Korean War in the 1950’s, consisting of items needed by Korean citizens. Today, Girl Scouts partners with various organizations to send care packages with cookies, candy, or nuts to members of the armed forces all over the world.
